

Mark Grantz

**Special Agent
U.S. Secret Service**

Special Agent Mark Grantz has over 15 years experience in law enforcement including 8 years with the US Secret Service. SA Grantz began his Secret Service career in the Pittsburgh Field Office and has testified multiple times as an expert witness in computer forensics. SA Grantz helped to create the Pittsburgh Electronic Crimes Task Force and has co-authored an academic paper on international law enforcement cooperation. SA Grantz now works in Washington DC at Secret Service Headquarters in the Criminal Investigative Division's, Cyber Investigations Section where he coordinates field office investigations, and oversees a five agent undercover investigative unit.
